

Bedrooms 1-4.

Bedrooms in the lower feature a total area of 32sq.m. and a net room space of 18 sq.m.. The windows can be entirely recessed to the walls so that one can enjoy the room as if it was an open space.

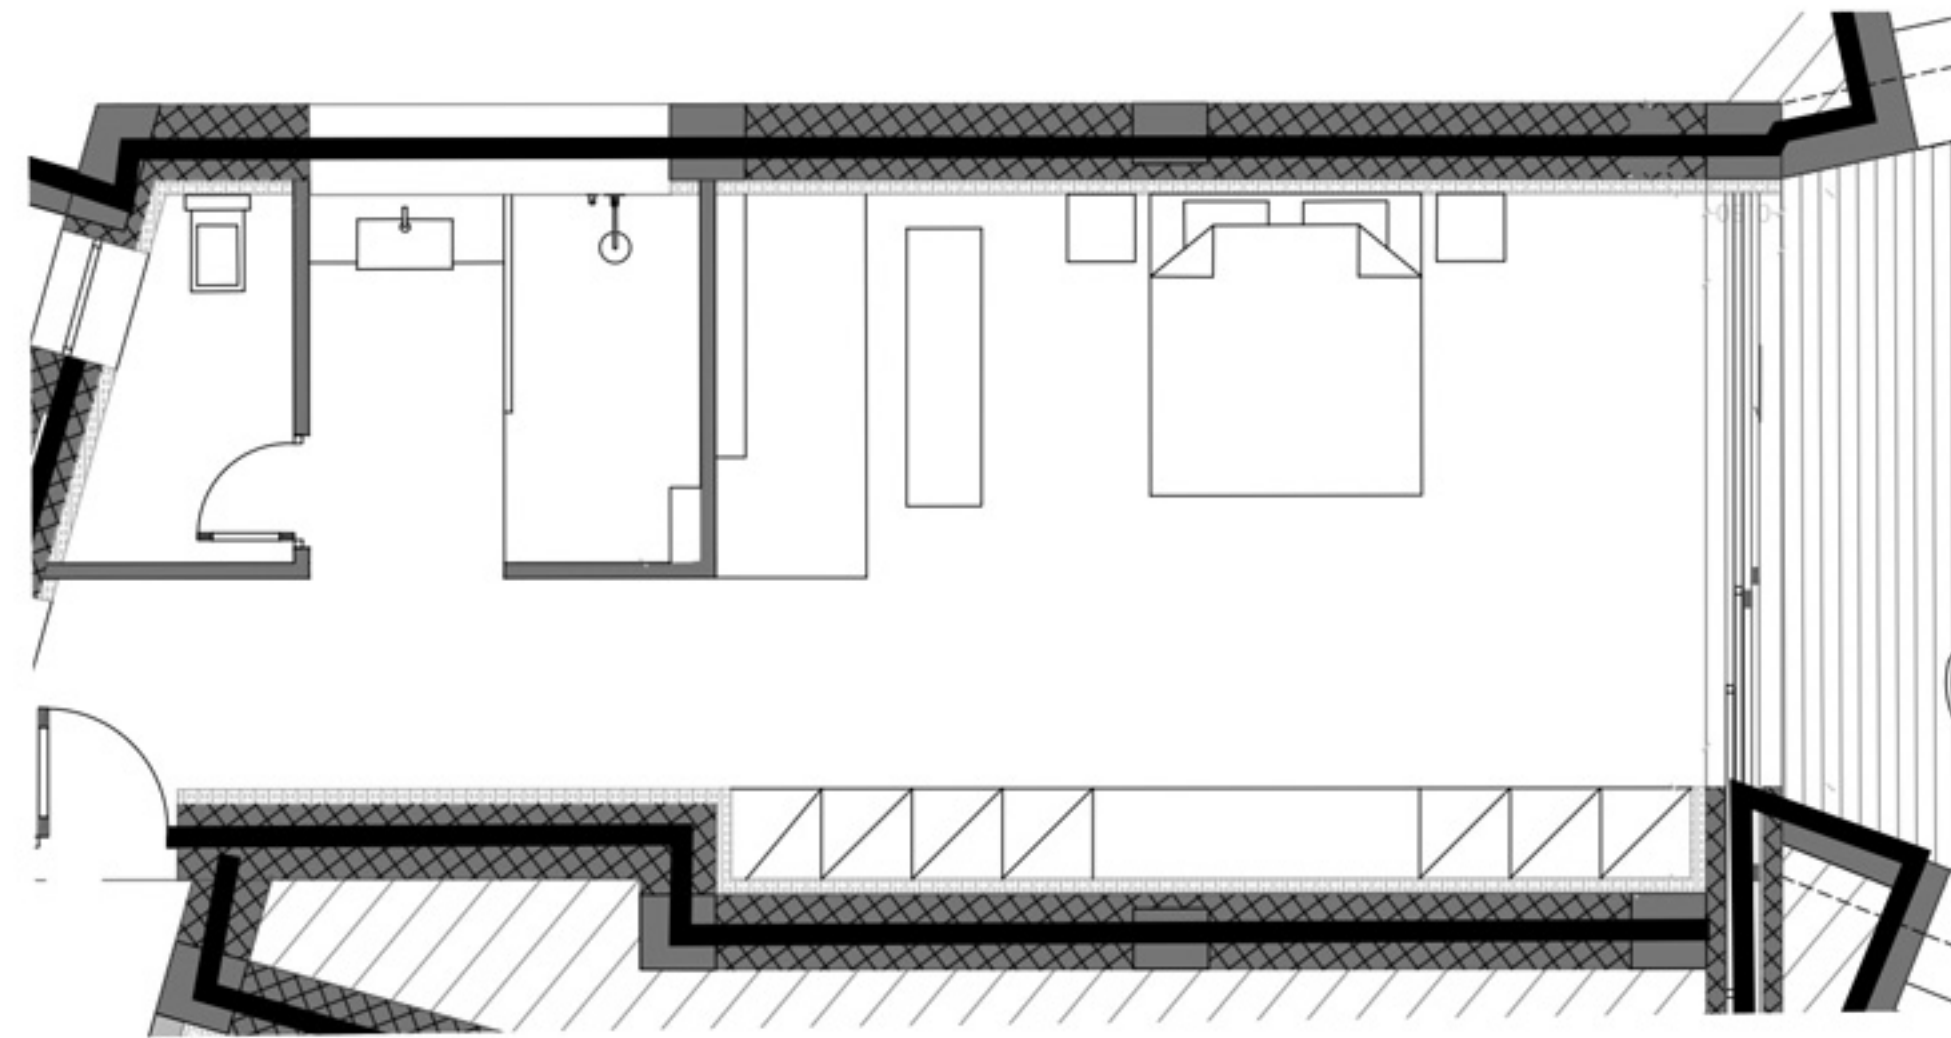

Living & Dining Room.

The communal spaces of the house are the interior & exterior living spaces. A total of over 250sq.m. is dedicated to a large but cosy layout that includes large built-in sofas, long tables, an open plan kitchen and a high end home theatre.

Suites i

The 3 suites of the SJH, all have a spacious layout each having ensuite bathrooms and a different interior design theme.

Suites ii

The guest house is a three bedroom house that allows for its two master bedrooms to be transformed into a spacey studio space that includes an open plan kitchen, living room & two bathrooms. It features an autonomous parking space & has a separate entrance from the front or back of the property.
